Meta-majors help break the 200+ programs at Ohio State into broader areas of interest so you can explore your options. The Health and Human Services meta-major is a great option for students who want to help improve lives but aren’t sure which undergraduate major to choose. Health and Human Services is a great fit for students who want to obtain a post-baccalaureate degree in health related areas as well as students who wish to pursue an undergraduate degree geared towards helping others.
