Additional Notes:

Your advisor can only add a class if the room capacity (fire code limit) has not been met. Even if there appear to be chairs available and the instructor signs the form, we cannot add the course over the fire code limit, which is listed in our version of the scheduling system. Students who are added to classes over the room limit can and will be dropped from the class per the registrar's office.

For full semester courses:

- Instructor permission is needed for all requests in weeks 2 and 3 of the term
- Department chair permission is also required for requests made in the 3rd week of the term. Students who add courses after the second Friday are also charged a late add fee for each course added.
