How to Choose Your General Education (GE) Courses

Focus Area
Healthcare (An Apple a Day…)
Coursework on health and healthcare

This document does not outline an Ohio State major or minor, nor is it a comprehensive description of the GE categories or courses required by your program. Rather, it is a guide to selecting General Education coursework based on your personal interests.

Writing and Communication II*:
- Nursing 2367 – Writing About Healthcare Issues in the U.S.
- PolitSc 2367(H) – Contemporary Issues in US Politics

Biological Science**:
- HumnNtr 2210 – Science of Human Nutrition

Literature:
- English 3361 – Narrative and Medicine

Cultures & Ideas:
- Clas 2204 – Medicine in the Ancient World
- CompStd 3465(H) – Cultures of Medicine
- HthRhSc 2530 – The Evolving Art and Science of Medicine

Historical Study:
- History 2703 – History of Public Health, Medicine and Disease
- History 3115 – History of Medicine and Public Health in Latin America
- History 3307 – History of African Health and Healing
- History 3701 – History of American Medicine

Open Option:
- Comm 2596 – An Introduction to Science, Risk, Environmental, and Health Communication
- Psych 4597.01 – Contemporary World: Aging, Health & Psychological Functioning

* Some 2nd Writing courses may also fulfill other GE categories.
**Note that some Physical and Biological Science courses will not be acceptable for some majors that have specific requirements. Check with an advisor to make sure these courses will be appropriate based on your plans.
