

What Can I Do With This **Ohio State** Major?

Bachelor of Science

Community Leadership

College of Food, Agricultural, and Environmental Sciences

This Community Leadership major is designed to equip students with knowledge and skills to be effective leaders and educators. There are two specializations. The Community and Extension Education specialization prepares community Extension Educators, practitioners, and leaders to promote positive change through learning and partnerships that strengthen individuals, families, and communities. The Leadership specialization prepares graduates with the capacity to influence positive change, and prepares students for leadership positions in the broad field of agriculture and natural resources.¹
